

Antti Eriksson

CEO

Kierto Ympäristöpalvelut Oy

<http://www.kierto.fi>

Bilateral Meetings

- Monday 14:30 - 17:00

Description

KIERTO ENVIRONMENTAL SERVICES RECYCLE WASTE,
UTILIZE WASTE

Instead of disposal, hazardous waste should primarily be exploited and reused. We offer unique solutions for doing this. Get in touch and let us tell you more!

We are small enough to listen to our customers but big enough to provide them with effective operations!

Our aim is to provide cutting edge waste exploitation solutions to businesses that have incorporated environmental responsibility as an integral part of their business success.
